

Chorus CURRICULUM

DISCOVERING VOICE • BUILDING CONFIDENCE •
SINGING WITH PURPOSE

Our chorus curriculum is designed to help students develop healthy singing habits, musical skills, confidence, teamwork, and a love for music. Through structured instruction and engaging performance experiences, students learn that their voice is a unique gift that can be developed and used with purpose. Students will progress from discovering their individual voices to becoming confident ensemble performers who can listen, collaborate, express meaning, and perform with excellence.

WHAT WILL STUDENTS LEARN IN CHORUS?

- 🎤 Vocal Technique — breathing, posture, healthy singing habits, pitch, tone, and vocal control
- 🎵 Music Skills — rhythm, melody, dynamics, tempo, musical vocabulary, and beginning music notation
- 🤝 Teamwork & Ensemble Skills — listening, blending voices, following a director, balance, and cooperation
- ★ Performance & Confidence — stage presence, expression, microphone awareness, memorization, and performance etiquette
- 🎶 Musical Expression — learning to communicate the meaning and emotion behind a song
- ✝️ Faith & Worship — using music to communicate biblical truth, express gratitude, worship God, and encourage others

Chorus CURRICULUM

PERFORMANCE OPPURTUNITIES

Students will have opportunities throughout the year to apply their skills through classroom performances, showcases, and other musical experiences. These opportunities help students practice preparation, responsibility, confidence, and excellence in a supportive environment.

OUR GOAL

Our goal is for students to become confident, capable, and joyful musicians who understand that their voice is a gift and that their individual contribution matters.

OUR CHORUS PROMISE

Sing with joy.
Listen to one another.
Practice with purpose.
Encourage every voice.
Use our gifts with excellence.
Every voice has value, and every gift has purpose.
